Acts 3:19b ...so that times of refreshing may come from the presence of the Lord...

Have you ever wondered what your purpose in life is? As women we tend to view our identity as being someone's wife, mother, sister, friend etc., but have you stopped to consider that these are titles and not who we truly are?

When we catch a glimpse of our lives from Gods perspective, we are inspired with purpose and begin to see that the Lord not only has a plan for our lives, but he also longs to refresh us with His presence!

" I would love for you to join us for an awesome time of fun, fellowship and music. Along with myself, we have inspiring and encouraging speakers, whose desire it is that you be impacted for the kingdom of God!"In His Love, Rosalie Schwarm
