Happy Easter To All

Christ Is Risen!

Book Recommend: Woman! You're A Kingmaker!

This is a great book. Bishop Wellington Boone challenges women where they are to be women of purpose and destiny.

Women who are Kingmakers are women of influence and Godly character. Godly character is formed in us daily and by using the principles in the book, your thinking and life are brought to a new level.

Now that we're in the technological age everyone is concerned with electronic mail privacy. It's impossible to say that all emails will remain totally private. Listed here are just a few possibilities of privacy intrusions:

- No email is 100% hacker proof
- Big Brother monitors emails for National Security Issues
- Email sent from the office is considered official company communication and property

You've seen those emails with a bazillion email addresses...
